Subject:	Thank you

Dear Carol,
I just cannot express in words how appreciative and thankful I am that you made the effort and came especially to see my first show last night.
You and Gershon are truly amazing.
It warmed my heart so much to see you there (also between the songs!). you are really like a family to us, and I don't know how we would survive here without the care of great people like you.
THANK YOU from the bottom of my heart.

Also, with all the mess after the show- I forgot to give you a copy of my cd which I actually prepared for you!!!
Can you remind me your address that I can send it over to you? Or - I can send it with Malcolm or Joseph if they will come on Thursday.

Sending a lot of love, and I hope that Gershon will feel better, wishing him and you the best,

Many hugs,
Anat
